

2020 STANDING OVATION AWARDS

LeadingAge Maine & New Hampshire is proud to honor Provider Members whose programs and team members embody excellence in leadership, care and service innovation with this year's **STANDING OVATION AWARDS!**

Recipients will be honored at our 2020 Conference during the expo/evening awards reception on Wednesday, April 8, 2020 at the AC Hotel Portsmouth Downtown/Waterfront—directly adjacent to the [Sheraton Harborside Hotel](#) conference venue. Enjoy networking and fellowship during the expo from 4:30-6:15pm followed by the awards program from 6:15-7:00pm.

Individual and organizational honorees will be notified in advance. Each will receive one (1) complimentary, full-conference badge (which includes admission to expo/reception) as well as two (2) guest passes to the expo/reception that may be offered to family, friends or co-workers. Additional scholarship support for travel expenses may be considered.

It's easy! Our nomination process is flexible and fast.

Gone are specific award categories and criteria. We accept nominations for any stand-out individuals and/or organizations having made noteworthy contributions. We invite you to share an illustrative story about a team member or volunteer's above-and-beyond commitment or highlight your own organization's pursuit of excellence.

Not sure how to get started? Consider characteristics such as these which are often reflected in top-notch teams and organizations:

- **Leadership:** Building and promoting a sense of community; embracing diversity; promoting mentoring and collaborations; helping advance the field of aging services, embodying the values and mission of your organization.
- **Service:** Not for self: consistently attending to tasks others are reluctant to do; exceeding responsibilities and expectations; reliable and trustworthy beyond compare; compassionate; adapting willingly to new situations; involvement in the community or region at large.
- **Volunteerism:** Selfless acts that provide support, engagement, commitment and leadership to enhance an organization's ability to fulfill its mission.
- **Innovation:** Unusual creativity and out-of-the-box thinking to overcome challenges; improving a process, program or your entire organization.
- **Community Service:** Being a good neighbor to your community or region through partnerships or charitable work.
